

# CURRICULUM DEVELOPMENT MATRIX

	Already in place	Not sure if in place currently	Not in place currently	SHORT-TERM goal(s)	STRETCH goal(s)	ACTION Step(s)
Problem Identification and General Needs Assessment	<p>Identification of Health Care Need/Problem</p> <ul style="list-style-type: none"> <li>• Whom it affects</li> <li>• How addressed now</li> <li>• How addressed ideally</li> </ul>					
Targeted Needs Assessment	<p>Targeted Learners</p> <ul style="list-style-type: none"> <li>• Current proficiencies</li> <li>• Desired state</li> <li>• What is needed to address gap</li> </ul>					
Goals and Objectives	<p>For <b>PROGRAM</b> (e.g., 95% of participants will turn in evaluation form)</p>					
	<p>For <b>LEARNERS</b> (e.g., each resident will conduct 6 moderate sedations)</p>					

# CURRICULUM DEVELOPMENT MATRIX

		Already in place	Not sure if in place currently	Not in place currently	SHORT-TERM goal(s)	STRETCH goal(s)	ACTION Step(s)
Educational Strategies	Choose <b>CONTENT</b> : Specific material to include <i>(e.g., transport medicine, sedation, procedures)</i>						
	Choose <b>METHOD</b> : How to deliver content <i>(e.g., readings, simulation, QI project)</i>						
Implementation	Identify resources needed						
	Obtain internal and external support						
	Set up administrative/communication structure						
Evaluation and Feedback	Individual						
	Curriculum/Program						
	Remediation Plan
