

The image is a cover page for a meeting. It features a central white diamond shape on a light gray background. The diamond is outlined with a white border. In the corners of the page, there are overlapping geometric shapes in yellow and blue. The text is centered within the white diamond.

SOHM  
Surgical Care Subcommittee

March 2022

# Agenda

- Introductions
- Kudos & Shout Outs
- Internet Presence
- Current SCSC Initiatives
- Current Work of Members
- Prioritizing SCSC Goals
- Misc / Conclusion

*To advocate for high quality care, outcomes, and research  
for surgical patients cared for by pediatric hospitalists*

# Introductions

# Kudos & Shout Outs

## 3.3.22 Happy NATIONAL HOSPITALIST DAY!!

- Don't forget to vote!
  - Former SCSC co-chair **David Rappaport** running for Section of Hospital Medicine Executive Board
- Moises Auron, elected to Cleveland Clinic Board of Governors

  - “Guide to Pre-operative Care for Children with Medical and Neurodevelopmental Complexity Undergoing Major Musculoskeletal Surgery”
  - “Preoperative Comprehensive Health Assessment and Peri-operative Outcomes in Children with Medical and Neurodevelopmental Complexity Undergoing Musculoskeletal Surgery: A Systematic Review”

# Kudos & Shout Outs: Recent Publications

- Pediatric Hospitalist

- Murphy M et al. “Postoperative management of pediatric patients”, Advances in Pediatrics, DOI: <https://doi.org/10.1016/j.yapd.2021.05.010>
- Simpson et al. “Reducing patient length of stay after surgical correction for neuromuscular scoliosis”, Hospital Pediatrics, DOI: <https://doi.org/10.1542/hpeds.2021-006196>
- Curran et al. “Comparison of balanced crystalloid solutions: a systematic review and meta-analysis of randomized control trials”, Critical Care Explorations, DOI: <https://doi.org/10.1097/cce.0000000000000398>

- Other Colleagues

- Tan et al. “Coronavirus disease 2019 and pediatric anesthesia”, Current Opinion of Anesthesia, DOI: <https://doi.org/10.1097/aco.0000000000001000>
- Mendoza et al. “Factors impacting parental and child satisfaction in the perioperative setting”, Paediatric Anaesthesia, DOI: <https://doi.org/10.1111/pan.14236>
- Richardson et al. “Racial and socioeconomic disparities in congenital heart surgery: a research article”, Journal of Cardiac Surgery, DOI: <https://doi.org/10.1111/jocs.15511>

# Website Presence

- AAP SOHM Public Facing
  - <https://www.aap.org/en/community/aap-sections/hospital-medicine/>
    - Surgical Care Subcommittee and Mirna & Blair listed under “Meet our Leadership”
- AAP Collaborate Sites
  - ~~<https://collaborate.aap.org/SOHM/Pages/default.aspx>~~
    - To be removed, Very outdated info
  - <https://collaborate.aap.org/SOHM-Library/Pages/default.aspx>
    - Some of basic info, but not as up-to-date as the Library Site below
- AAP SOHM Library Site
  - <https://www.sohmlibrary.org/surgical-care.html>
    - Most up-to-date, Deana Miller curates

# Current SCSC Initiatives

- Listserv
  - [sohmsurgical@listserv.aap.org](mailto:sohmsurgical@listserv.aap.org)
  - Group discussion on its functionality
- PHM Conference workshop submission(s)
  - *Rules of Engagement: The Past, Present, and Future of Surgical Co-Management*, Anna Lin leading
  - Other peri-operative abstract or workshop submissions pending?
  - Any other conferences?
- Up-coming Education Series
  - 3 main topics: 1) Clinical, 2) Operational, 3) Skill Set Advancement
  - Project Echo format
- PHM Pre-Conference Planning (Mirna & Blair)
  - ½ - 1 day of workshops

# Current Work of our SCSC Colleagues

- Collaboration with Surgery Advisory Panel
  - Connie Houck
- Pain Assessment & Management Curriculum
  - Jordan Keys & Sahar Romem

# SCSC Goals

- Maintain a **supportive network** of Pediatric Hospitalists (PH) caring for surgical patients
- **Advance collaboration** with our hospitalist, surgical, and other partners to inform the care of surgical patients
- Develop and Share:
  - **Best practices** in medical care of surgical patients
  - **Training and educational materials** for PH and trainees in the medical care of surgical patients
  - **Standard outcome measures** to evaluate quality and value for programs with PH caring for surgical patients

# Prioritizing SCSC Goals

- Next 1-2 years
  - Recurring Education Series
  - Curriculum design?
  - Increase collaboration with other groups: Surgery Advisory Panel? APPs?
- Next 3-5 years
  - PHM Conference Pre-course

Other Thoughts or Ideas?

# Next SCSC Meetings

- Conference Social Hour?
  - Pediatric Academic Societies, Denver, April 21 – 25
  - Pediatric Hospital Medicine, Orlando, July 28 – 31
- Fall SCSC Meeting
  - *Can we highlight your peri-op work?*
  - Share your successes with us!
- Education Series
  - *Want to be a part of the planning group?*

# Thank you!

We hope to see you all again very soon 😊
